

AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph no. 70 with the following amended paragraph:

The present invention can be realized as a code which is recorded on a computer readable recording medium and can be read by a computer. The computer readable recording medium may be any type of medium on which data which can be read by a computer system can be recorded, for example, a ROM, a RAM, a CD-ROM, a magnetic tape, a floppy disc, or an optical data storage device. ~~The present invention can also be realized as carrier waves (for example, transmitted through Internet).~~ Alternatively, computer readable recording media are distributed among computer systems connected through a network so that the present invention can be realized as a code which is stored in the recording media and can be read and executed in the computers.
